

Haakon Industries is a world leader in custom designed and manufactured AHUs for all types of buildings. <https://haakon.com>

Manufacturer of fluid and refrigerant coolers. Specializing in adiabatic, evaporative, and dry coolers. <https://www.guntner-solutions.us/>

9765 54 Street SE, Calgary AB T2C 5A6 | Phone 403-252-5577 | [www.icewestern.com](http://www.icewestern.com)

AHU manufacturer of gas, heat recovery and packaged DX/ heat pumps. <http://www.icewestern.com>

High plume exhaust dilution systems. <https://skyplumetechnologies.com/>

Supplier of coils. Inventor of the Cooney burst-proof technology. <https://cooneycoil.com>

Plate and Frame Heat Exchangers. <https://www.tranter.com/>

ADVANCED COOLING TECHNOLOGIES  
<https://www.1-act.com/hvac/>

Modular and packaged air/ water cooled chillers, magnetic bearing chillers, heat pumps and heat recovery. <https://www.multistack.com>

Wide offering of fan coils, trench heaters, unit heaters, force flows and cabinet heaters. <https://www.kampann.ca/en>

Fixed plate ERV that provides excellent energy recovery with virtually zero cross-contamination. <https://www.multistack.com/products/airside-solutions>

Modular Air Handling Units and HRV's approaching 90% efficiency. <https://vtsgroup.com/>

Gas, electric, steam to steam, ultrasonic and atomizing humidifiers. <https://www.carel.com>

Coils & Fluid Coolers  
<https://www.directcoil.com/>

Electronic air cleaner manufacturer. Designed for high levels of odor, smoke and particulate removal. <https://www.dynamicaqs.com>

AE Air manufactures horizontal and vertical fan coils and water source heat pumps. Manufactured by First Company in Dallas, Texas. <https://ae-air.com/>

High efficiency ERVs. Passive House certified. <https://www.flaktgroup.com/en/>

Wall mount air conditioners for industrial and classroom cooling. <https://marvair.com/>

Carbon scrubbers for air purification and odor removal. <http://unisorb.ca/>

Thermal Heating Solutions for process and comfort heating applications. <https://indeeco.com/>
