

## ||| MULTISTACK®

Modular and packaged air / water cooled chillers, magnetic bearing chillers, heat pumps and heat recovery.  
<http://www.multistack.com>

High efficiency ERVs. Passive House certified. ERVs from 65-91%, panels for acoustic and ducting, hot and chilled water air handlers.  
<https://www.flaktgroup.com/en/>

Fixed plate ERV that provides excellent energy recovery with virtually zero cross-contamination.

Plate and Frame Heat Exchangers.  
<https://www.tranter.com/>

Manufacturer of fluid and refrigerant coolers. Specializing in adiabatic, evaporative, and dry coolers.  
<https://www.guntner-solutions.us/>

Supplier of coils. Inventor of the Cooney FreezeBlock burst-proof technology.  
<http://cooneycoil.com>

Heat Pipe Coils, Wrap Around Heat Pipes, split heat pipes (with pumped refrigerant).
