

World Leader in Custom Air Handling Units.

Manufacturer of Fluid and Refrigerant, Adiabatic Evaporative and Dry Coolers.

AHU Manufacturer of Gas, Heat Recovery and Packaged DX / Heat Pumps.

High Plume Exhaust Systems.

Inventor of Hybrid Heat Pumps and introduced Reversing Heat Pumps.

The heat transfer people
Plate and Frame Heat Exchangers.

Fan Arrays for AHU Systems up to 300,000 CFM

ACT: Advanced Cooling Technologies. Heat Pipe Heat Recovery.

Modular and Packaged Air/Water Cooled Chillers, Magnetic Bearing Chillers, Heat Pump and Heat Recovery.

Wide offering of Fan Coils, Trench Heaters, Unit Heaters & Force Flow Heaters.

Semi-custom Air Handling Units from 1,500 CFM to 60,000 CFM

Leaders in Natatorium, Dehumidification, Indoor Growing and DOAS Systems.

GOFOG

Designs and Manufactures Adiabatic Humidification Systems.

Gas, Electric, Steam-to-Steam, Ultrasonic & Atomizing Humidifiers.

Fixed Plate ERVs.

Carbon Scrubbers for Air Purification and Odor Removal.

Electronic Air Cleaner Manufacturer for Removal of Odor, Smoke and Particulates.

Manufacturer of Horizontal and Vertical Fan Coils and Water-Source Heat Pumps.

Modular Air Handling Units and HRV's.

High Efficiency ERV's. Passive House Certified.

Wall Mounted Air Conditioners for Industrial and Classroom Cooling.

Supplier of Coils & Inventor of the Cooney Burst-Proof Technology.

Coils & Fluid Coolers.
